ID**

Gamer Italian Speaker
11943

CURRICULUM VITAE

Place of Residence Spain(Sevilla)

Profile Video game lover since the age of 8 (I play any kind of games almost every day at least 6/9 hours: MOBA, MMO, FPS, MMO RPG etc..)

Skills & Competences

- Ability to perform tasks quickly.
- Quick learning capacity
- Ability to maintain a constant level of activity
- I am a dynamic person.

Gamer Data

Used to play video games since I was a little kid, I have over 8 year of experience playing League of Legends, 1 year playing Counter Strike, Call of Duty, Apex legends, Destiny /Destiny 2, Pubg.

On all those games I have been talking to my teammates in English (because is the only way to communicate with someone since ever) I also play and played many MMO, Mmorpg like : Skyrim, The Witcher, Assassin Creed, The Last of Us, God of War, Nostale, Diablo 3, Albion online and many more. When I was young I started playing video games with the Nintendo ds, I played Mario pokemon etc.

And for practicing my level of English I moved a few months to London 3 years ago and also was working for 2 months in Dublin (last year).

Education **Graduate degree in Compulsory Secondary Education**
